A black and white illustration of a rocket ship flying upwards and to the right, leaving a long, curved trail that forms a large, stylized letter 'S' or '3' shape. The background consists of horizontal lines, some of which are interrupted by the curve of the trail. The rocket ship is a simple silhouette with a pointed nose and a small circular window. The trail is a thick, black line that starts from the bottom right and curves upwards and to the left, then curves back down and to the right, ending at the rocket ship.
