

## Formative Assessments

The formative assessments provided in this packet are designed to provide the teacher with a flexible format in assessing students at different stages of the lessons and throughout the curriculum unit. This allows the teacher to easily differentiate the assessments if needed and provides valuable feedback regardless of a student's ability. Using a guiding topic or question provided by the teacher, students can then demonstrate their understanding through words, charts, drawings, and illustrations.

# Table of Contents

60 Second Summary .....	1
3-2-1 .....	2
Agree or Disagree .....	3
A-B-C Summary .....	4
Before & After .....	5
Concept Map .....	6
Exit Ticket .....	7
KWL Chart .....	8
Mud Pie .....	9
News Headline .....	10
Picture Postcard .....	11
Positive, Negative, Interesting .....	12
R.E.R.U.N. ....	13
Things I Knew, Things I Learned, Things that Confuse Me .....	14
Venn Diagram .....	15

Name \_\_\_\_\_ Date \_\_\_\_\_

Write a 60 second summary about the topic provided by your teacher.

A large rectangular box containing 15 horizontal lines for writing a summary.
